NO. 1.

## TEACHERS TO ARRIVE OCT. 9

Plans Now Complete For Seventh Annual Meeting of N. W. Missouri Teachers Ass'n.—Many Big Educators Booked—Entertainment Too.

The seventh annual meeting of the Northwest Missouri District Teachers' Association will be held at the College, October 9, 10 and 11. The meeting will convene Thursday morning October 9, at 8:30. A very large number is expected to attend.

The program, which the Association presents this year is one of the strongest in the history of the organization, and includes eminent out-of-the-state speakers as Dr. Emanuel Sternheim, University of New York and Dr. Amy Daniels, University of Iowa, as well as such men as State Superintendent of Schools Lee, Supt. John J. Maddox of St. Louis, and Dr. Stratton D. Brooks, President of the University of Missouri. Music for the Association will be furnished by the Music Department of the State Teachers College directed by Mr. Charles R. Gardner, except on Thursday evening, Oct. 9, when the Shriners' Quartet of St. Joseph will appear on the program.

Among the attractions for the younger people will be a football game, Friday afternoon, October 10, between the local College and Cape Girardeau.

The officers of the Association are as follows: Supt. J. W. Pierce, Skidmore, Mo., President; Supt. U. L. Riley, Maitland, Mo., First Vice-President; Miss Ethel Sloan, Mt. Moriah, Mo., Second Vice-President; Mr. C. A. Hawkins, Maryville, Mo., Secretary; Supt. Charles Myers, Union Star, Mo., Treasurer. An important business session will be held Friday morning, October 10, at which time three proposed amendments will be voted on.

The rail-roads will furnish adequate transportation facilities, and round-trip tickets will be sold at one and one-half fares upon presentation of the identification certificate. Tickets will be sold October 6-11 inclusive.

Suitable accommodations for all visiting teachers as regards rooms and meals will be provided. The College Cafeteria will be prepared to serve meals to the visitors. Rooms for 82 guests may be had at Residence Hall. Anyone desiring to secure any of these rooms should write or call Mrs. Louise B. Hastings, House Director.

Plans are now under way for providing for special entertainment for the teachers during their visit in Maryville, and an effort will be made to make it very pleasant as well as profitable.

The detailed program follows:

## Faculty Members Are On State Committees

State Superintendent Lee Names Miss Winn On English Committee and Mr. Phillips As Chairman of Physical Education Committee.

State Superintendent Lee has appointed committees to reorganize the entire course of study for Missouri High Schools.

The English Committee, of which Miss Winn is a member, postponed its meeting until her return from Europe. Mr. J. R. Powell, principal of the Soldan High School at St. Louis, is chairman of this committee.

Mr. Phillips is chairman of the Health and Physical Education committee.

No definite date has as yet been set for the meetings. Dr. Briggs of Teachers College Columbia University is the official advisor of all the committees.

## A. A. U. W. DELEGATES OF MO. COMING HERE

Honor Goes To Maryville To Entertain Missouri University Women Oct. 31, Nov. 1—Local Branch Holds Interesting Meeting.

Maryville will have the honor of entertaining delegates from eleven Missouri branches of the American Association of University women at their annual State Convention, October 31 and November 1.

The first meeting of the new year of the Maryville branch was held at the J. F. Montgomery home, West Third street, with Miss Anna Painter, hostess, and Misses Mary Fisher, Carrie Hopkins and Katherine Helwig, assisting hostesses.

Forty-one members and visitors were present. A brief business session was held, presided over by the President, Miss Dora Smith, at which the following delegates for state committees were elected:

Delegate-at-large—Miss Smith.

Legislative representative—Miss Louise Hastings.

Educational representative—Miss Mary Fisher.

Miss Anna Painter and Miss Laura B. Hawkins were elected voting delegates for the Maryville branch at the coming convention.

The following program was given: Violin solo—Miss Gene Boyle.

Officers of the Maryville branch are: President—Miss Dora B. Smith.

Vice-Pres.—Mrs. F. T. Gilman.

Secretary—Miss Estella Bowman.

Treasurer—Miss Beatrice Winn.

## "Bob" Nicholas Is Junior President

At the first meeting of the Juniors the following officers were elected: Robert Nicholas, president; Julia Hankins, vice-president; Louise Freeman, secretary; Ray Bloomfield, treasurer.

Mr. Wilson is the business adviser of the Juniors.

Grace Foster was elected editor-in-chief of the Annual, at a meeting of the sophomores last spring. The other members of the staff will be elected by the Juniors at the meeting September 26. The members elected to the staff will start work immediately upon the annual.

The Tower queen who appears in the annual every year will be elected in the near future.

A six o'clock dinner was given by Dean Edith A. Barnard and Mrs. Louise B. Hastings last Monday evening at Residence Hall, as a farewell courtesy to Miss Blanche Dow, who left the same evening for New York City, where she will study for a year. Besides the guest of honor, the guest list included: Miss Olive DeLuce, Miss Estelle Bowman, Mr. and Mrs. Burt W. Loomis, Mr. Charles R. Gardner, and Mr. Homer T. Phillips.

Misses Belle and Mary Riggs were called home Friday morning because of the death of their cousin, at Weathersby, Mo.

Opal Hill, who has been a student of Maryville S. T. C., is attending the University of Columbia, Mo.

## TRENTON BOY GAINS HONOR

Council Head Goes To "Machine" Candidate—Personnel Now Complete After Exciting Campaign—Yell, Leader Election Planned.

After a fierce battle between the two political parties all day last Monday three new members were added to the Student Council. Raymond Henning headed the list with 517 votes, Lloyd DeMoss came next with 375 and Temple Allen was third with 355 votes. Mary Ruth Curfman and David Nicholson, the other two candidates, received respectively 221 and 191 votes.

The campaign for the election of the three students at large on the Student Council was a very exciting one. The leading politicians, representing each party, were busy the entire day, with the result that a large percentage of the college students voted in the final election.

The nominees were chosen from the seven who received the highest number of votes in the primary election. Then five of these seven were chosen by the Student Welfare Committee to be submitted to the student body for the purpose of electing three at the general election.

The Council is a medium for student participation in the handling of affairs in which they are interested, the Council representing the student body before the administration. The Council also encourages and regulates activities of the student body, fostering college spirit, and promoting good will among the students. In attempting to accomplish these ideals the Council tries to provide for both the social and practical needs of the student.

The personnel of the Council at the present time is as follows: Maye Sturm, Newman Club.

Mabel Raines, Eureka Literary Society.

Paul Stone, Excelsior Literary Society.

Lorene Hartley, Philomathean Literary Society.

Roberta Cook, Y. W. C. A.

Sam Evans, Y. M. C. A.

M. E. Sealeman, Seniors.

Robert Nicholas, Juniors.

Russell Hamilton, Sophomores.

Raymond Henning, Lloyd DeMoss, Temple Allen—Members at large.

Willette Todd, Freshmen.

The Student Council of the State Teachers College met in the first regular session of the year Thursday, September 25 at the Residence Hall.

At this meeting, regular officers for the ensuing year were elected. President Lamkin acted as temporary chairman, explaining to the council the responsibility that rested upon each member. He said in part, "The office of President of this student government is the highest honor that can be bestowed upon any student."

Members of the council voted by ballot for their choice for President, and Temple Allen, Sophomore, was elected. The other officers elected were: Vice President, Mabel Raines; Secretary, Roberta Cook.

Following the election of the officers the council laid plans for the first annual Home coming day that is to be held during Teachers Meeting, October 10, when the Cape Girardeau Indians will engage the Bearcats in a gridiron duel on the home field. The Council is endeavoring to make this event a success, and a committee to take charge of the affair has been appointed by the President.

It was decided in the meeting held September 25, that the date set for the election of yell-leaders for the ensuing year, would be Wednesday, October 1, at the regular assembly.

Meetings of the Council will be held regularly on the first and third Thursday of each month to discuss student problems, and to direct the student body in its various activities.

Mr. A. J. Cauffield has an extension class in Skidmore. Fourteen students are enrolled. The class met September 13, for the first time. Five hours credit in Geography is offered.

Mr. Cook has extension classes at Maitland and Pattonburg. Five hours of American History are offered each place. There are five enrolled in each class.

Mabel Irvin, a former teaching commerce at Cape Girardeau, is attending the University of Columbia, Mo.

## 57 Seniors Elect Miller President

Henning Chosen Vice-President and DeMotte, Secretary-Treasurer—Miss McClanahan Is Social Adviser.

Fifty-seven members of the Senior Class were present at the organization meeting Friday, Sept. 19. Garland Miller, former editor-in-chief of the Tower was elected President; Raymond Henning, Vice-President; and John Allen DeMotte, Secretary and Treasurer. Merle Sealeman, President of last year's Junior class, won the honor of representing the Seniors in the Student Council, and Ethel Kaufman was elected reporter for the Courier. Miss McClanahan was chosen social sponsor.

Miss Winn, business adviser, presided at the first meeting of the class, September 12, when fifty three seniors were present for the preliminary organization.

Any student who expects to receive either degree this year should have his name on the class roll. Miss Winn wishes to see all Seniors who were not present at the meeting September 19.

## TA-TA-TA GOES THE WALK-OUT TRUMPET

Class Rooms Were Instantly Emptied But This Was in 1915—What Day This Year Is Now The Big Question.

Eight o'clock A. M. Ta-ta-ta-ta-ta-ta. All the students were on their feet and marching out of the rooms. The instructors stood motionless with mouths agape. A revolution. No, it was November 3, 1915 the first walk-out in the history of the North West Missouri State Teachers College.

Our annual walk out day during the fall quarter is an opportunity for student inmates of S. T. C. to carry out their slogans, "Less Work, More 'E's," (ease) and "We Won't Work Without Play," by taking "French leave," and escaping to the woods to entertain the faculty.

Every student is expected to participate in this event. Freshmen as well as some other students need have no fear of restraint in leaving their classes, as the faculty enjoy a holiday in the woods as much as any student.

The Seniors assume all the responsibility of furnishing food and fun for the maximum sum of fifty cents.

Food is always served cafeteria style and fun as you like it.

What are you supposed to do? Leave your class when the signal is given and form in front of the building! "Nuff said!" Don't fail us!

## New English Office In 308 A Busy Place

The English Department of the College now has a regular office in Room 308. Each of the instructors has regular office hours, when she will be glad to have students bring their problems to her.

In order, however, that they may more efficiently unknit these various problems, students are requested not to use this room for social purposes. Miss Helwig, of the Mathematics Department, and Miss Terhune and Miss Martin, of the Modern Language Department, also have their desks in this room.

The office hours of the members of the English Department are as follows:

Miss Winn—10:00—11:00.

Miss Painter—9:00—10:00.

Miss Dykes—10:00—11:00.

Miss Bowman—11:00—12:00.

Miss Hopkins—10:00—11:00 on Mondays, Tuesdays and Thursdays.

Mr. Stanfield went to Rockport September 20 to organize an extension class in vitallized agriculture. He expects about 25 in the class. While there he visited at the home of Howard Leech, B. S. 1923, who is superintendent of schools at Rockport.

September 27, Mr. Stanfield went to Trenton to organize another class in vitallized agriculture.

## ENROLLMENT BIG AT S. T. C.

Conservatory Figures Incomplete — 630 In College Proper — Faculty Augmented By Many Well-Trained And Experienced Teachers.

The total enrollment for the fall quarter is expected to be about the same this year as that of the fall quarter last year. At present there are 630 enrolled in the college not including the conservatory students. There has been, however, a falling off in the number of secondary pupils, but at the same time there has been a healthy increase in the number of college students.

A steady increase has been shown in enrollment during the past five years. In the fall quarter of 1920 there were 255 students in attendance at the college. In 1921 there were 440 and in 1922, 550 enrolled. These figures include the conservatory students.

A great improvement in the efficiency of the enrollment committee is proved by the fact that 544 students were enrolled on the first day, September 10 this year in comparison with 372 last fall.

The college is very fortunate this year in having some notable additions to the faculty.

Miss Briggs comes to take the place of Miss James in the Commerce department while Miss James is on her leave of absence. Miss Briggs has her B. A. from Central College, Fayette, Missouri and her B. S. from the University of Missouri.

Mr. Roy Kinnaird, who has both his Bachelor's and Master's degrees from Missouri University will have charge of the development of Animal Husbandry. The college expects to have various kinds of stock soon. Mr. Kinnaird has been also the county farm agent for both Clinton and Nodaway counties.

Miss Manley, who is to take Miss MacLeod's place in the Physical Education department, has her Bachelor's degree from Wellesley and has done additional work on her Master's at Missouri. Miss Manley taught at the college during the summer quarter of 1923.

Miss McClanahan, a former student at Maryville S. T. C. will have charge of Dramatic Arts. Miss McClanahan received her B. A. from Drake University, with special preparation in Dramatic Arts.

Mr. Rogers who is filling the position formerly held by Mr. Worley in the Commerce department has his B. S. degree from the State Teachers College at Hays, Kansas and his Master's from the University of Chicago School of Commerce.

After Mr. Rogers had accepted his position in the college the biggest Utility Corporation in Chicago wrote and asked that he might be released to accept a position with them.

Miss Terhune, the head of the Romance Language Department, has her B. A. from Western College for Women at Oxford, Ohio and her Master's degree from Columbia University.

Miss Martin, who also comes into the Romance Language department has her Bachelor's and Master's degrees from Chicago University.

Miss Bass, who was an instructor at the college last summer, will continue her work in the department of Physical Education. Miss Bass has her Bachelor's degree from Columbia University.

Miss Boyle who will help in the violin department of the Conservatory of Music, comes from Central College Fayette, Missouri.

The Cafeteria will have at its head Miss Stowell who has her Bachelor's degree from James Millikin University Decatur, Illinois and her Master's from Columbia University.

Miss Stowell has had five years of high school cafeteria management.

Mrs. Monger's place in the Conservatory has not yet been filled but may be some time in the near future.

Daurice Culp, a former S. T. C. student, holds the lead in the contest in Gentry county to elect a delegate to represent the county at the dedication services of the new state capitol building which will be held in Jefferson City. Miss Culp is at present deputy clerk of Gentry County, her home is at Albany.

Fisher spent her vacation with her sister in Washington.

## Famous Class Of 1921 Are Entertained

Miss Hudson Is Host To Former Class Mates on Sept. 8.—Two Faculty Members Are Honor Guests—Seven Members of Class Attend.

The class of 1921 held a reunion at the home of Miss Nell Hudson, Monday evening, September 8.

This meeting was to celebrate the return of Miss Winn from England, and was also in honor of Miss Dow who left September 22 to attend Columbia University.

The members of the class present were: Minnie B. James, Alma Lucas, Mary Woolridge Vogt, Bernice Rutledge, Edna Turner O'Grady, Anna Wells, William Utter, Ira Fantz and Nell Hudson.

## BOARD OF REGENTS APPROVE GYM PLANS

New Building Will Be Directly West Of President's Home—Board Will Meet Oct. 6 To Award Contract For Building.

The Board of Regents of the college met September 13 and approved the plans and advertised for bids for the new gymnasium. No cuts or descriptions for the new building will be shown or printed until the Board finds just what it is able to get for the amount of the appropriation. Definite plans, however, have been made as to the location of the gymnasium. It is to be built directly west of President Lamkin's residence and will be placed 150 feet east of Ray Avenue. This will leave a large tract of ground west of Ray avenue where the new track and athletic field will be built.

## Lincoln Statue Is Gift of Class of '24

The statue of Lincoln which stands at the entrance of the auditorium was presented by the seniors of 1923-24. The statue is to take the place of that Hebe which was broken last winter.

Mabel Cobb, class president, and Dick Kirby comprised the committee which chose the class gift. It is an excellent likeness of the great emancipator and the school is proud to possess it.

Many think that it is not in the right place as the figure is too tall to be mounted on the proper pedestal. The art lovers in the college should see that this great statue has a suitable setting.

Old timers feel very keenly that the statue of Hebe should be repaired and placed once more in the spot from which her graceful figure has so long dominated the second floor.

## Officers Chosen For Pi Omega Pi

The Pi Omega Pi honorary professional fraternity of commercial students, held an election of officers Thursday afternoon, at which time the following officers were elected: President, Lucille Alry; Vice-president, Gordon Roach; secretary-treasurer, Hazel Barton; Historian Hazel Hiatt.

The prerequisites for membership in this fraternity are as follows: Student must be majoring in commerce, must have 15 college hours in commerce with an average S grade in all work of that department. He must have an average grade of M, in all other subjects. Mr. Rogers is general advisor of the fraternity. Miss Briggs has charge of typing booth. Typing is done by the fraternity members at popular prices. The fraternity plans to have an exhibit in the hall during teacher's meeting.

Mr. Leeson of the college faculty is giving two extension courses in Physiology and Hygiene this quarter. One class of eighteen members meets at Kingston, Missouri. Mr. Malotte, a graduate of S. T. C. is superintendent of schools at Kingston. The other class meets at Hamilton, Missouri. There are twelve members in this class.

Dean and Mrs. Colbert had as guests last week their eldest son Herschel and his family. Mr. Colbert is editor of the Gallatin Democrat. This week Mr. and Mrs. Philip Colbert of Lincoln, Nebraska will drive to Maryville to visit at the Colbert home.

Helen Gmel spent the week-end at her home in Craig.

## 41 BEARCATS READY TO GO

Gridsters Anxious to Battle Tabor This Week—Ten Letter Men Back With Promising Recruits—Cape Indians Open Season Here.

The S. T. C. Grid season started just three weeks ago to-morrow, when Coach Lawrence issued his first call to all football men.

The men of old S. T. C. responded to their leader's call and the result was that forty-one reported for the first football practice held by the Bearcats this year. Coach Lawrence issued all the men suits and a light practice followed. In commenting on the showing after the first practice, Coach Lawrence said that the letter men who returned were an excellent nucleus about which to build the 1924 team. There are a lot of green men who are apparently sizing up well and the success of this year's team depends upon the development of these green men.

The letter men who are out for practice are Hartman, Eads, England, Young, Masters, Graham, Barkley, Allen, Ashcroft and Sawyers. Some of these men did not make their letter last season but are doing good work and will make a hard fight for a position on this year's team. Some men that have good records at their respective high schools and report for practice are: Fouts and Eugene Wilson of Trenton, Keith of Bedford, Agee, Evans, Richardson and Harkrider of Stanberry, and Bush, Ogden and Willoughby of Maryville High School.

Some of the men did not receive full equipment at the first of the season but by now are in full attire to combat for a position on the team.

operate when possible during the practice first nights practice that he expected all men who came out to adhere strictly to the training rules and to cooperate when possible during the practice season. He also stated that every man would be given an equal chance to make the squad and that none of the old men had their former berth on the team cinched.

Captain Wilson who reported for practice at the start of the season is now unable to be out to practice with his team but one can see any time during the practice out watching with approval and errors which the rest make when ever he has the chance to be some green member, he does so. Some had his knee thrown out of last season and in a scrimmage game ten days ago, he again was injured.

Coach Lawrence said that he hate that such a thing had to happen and is sorry that Captain Wilson could not take his stand with the rest but he thought with the co-operation and good training of the other members the team would make a good showing in all the games. He says that he does not expect to win all the games but will give any team a good run for their money.

With the football schedule completed, the State Teachers College faces a season which will test its best abilities on the gridiron. The Bearcats are matched with four conference teams, two games to be played in Maryville and two on foreign fields; they also have four non-conference games scheduled.

The football season proper will open on this week when the Bearcats will journey to Tabor, Iowa. Last year the Tabor team gave the Bearcats a good fight after having traveled under unfavorable conditions. This year on their own field they will test the Bearcats to the uttermost. This will go to show how well the Bearcats are prepared for their conference games which are to follow.

The home season for the Bearcats opens with a conference game against the Cape Girardeau Indians, October 10. This game being a conference game will make or break the College's chances for the 1924 championship.

The following week October 15, the Bearcats take the road to Springfield to play their second conference game. Springfield always has a team of high standard and is again doped to win the conference, so this will be one of the toughest games of the season.

October 24 the Bearcats will again appear at home in a non-conference game with Highland College of Kansas. This team is a new specimen and its strength is unknown to us.

The Bearcats will go to Kirwin, October 31, to meet the Mustangs. The

### COLLEGE OATH

"We will never bring disgrace to this our College by any act of cowardice or dishonesty. We will fight for the ideals and sacred things of the College. We will revere and obey the College laws, and do our best to instill a like respect and reverence in others. We will strive unceasingly to quicken the students' sense of duty. We will transmit this College to those who come after us greater, better, and more beautiful than it was transmitted to us."

### NEW STAFF AT WORK

Mabel Raines of Maryville, was elected editor-in-chief of the Green and White Courier Wednesday, September 24, by the vote of the student body. Raymond Henning of Mound City, was elected associate editor.

The Courier this year will be issued weekly instead of every two weeks as has formerly been done. It has likewise been enlarged, which will mean for these two editors a considerable responsibility.

The paper is being edited by an entirely new staff of cub reporters this year. They are willing to work and are very anxious to please the student body and all readers of the Green and White. "This is your paper. Tell us what you want." This is the attitude of the members of the staff. They hope that the readers will be content with them until they can fit themselves into this big new scheme of journalism in S. T. C.

### NEWS OF THE NORTHWEST MO. HIGH SCHOOLS

**Civil Bend High School.**  
Civil Bend Consolidated District, Davies County, has a complete four year high school. The enrollment is larger than that of any previous year. A new high school teacher was added to the faculty this year. The kindergarten department has a separate building.

The grade teachers are all former students of S. T. C. The three high school teachers of Civil Bend are College trained; Supt. Clayton and Principal Esther M. Crank are from Kirksville and Springfield respectively; Bernice M. Worth, instructor in Mathematics, is a former student of S. T. C.

**Pattonburg.**  
Pattonburg High School has conducted an interesting basketball tournament. The freshmen girls defeated the sophomore girls in the final game, 28-24. The sophomore boys won from the senior boys 21-15. The games were well attended and class spirit ran high throughout the tournament. The high school has organized a nine piece orchestra. It is directed by Mr. Dean.

**Lafayette.**  
Lafayette, in Nodaway county, has an approved two year high school. This school is maintained as a rural district and not by consolidation.

**Rosendale.**  
Rosendale Consolidated District, Lewis county, has a new theater is being used for athletics and the teaching of physical education. An election will be held during the year to vote bonds for a new building.

**Barnard.**  
A course in sewing has been added to the curriculum in Barnard High School. Margaret Kerr, a former student of the College, is the instructor.

**Quinn.**  
Physical Education and Junior high school work has been added to the

Quinn Consolidated School. A new teacher has been employed for the high school.

The high school building has been remodeled and two new class rooms added.

The King City High School has the supervised study system. Thirty minutes of each period are used for supervised study. The remainder of the period is used for class recitation.

### Parnell.

Parnell High School has 72 students this year. Another teacher was added to the faculty. Alva Burch, B. S. 1924, is superintendent at Parnell.

### Sheridan.

The Sheridan High School has the largest enrollment in the history of the school. There are 102 students enrolled in the high school. One teacher has been added to the faculty. A course in Citizenship is being offered for the first time.

### Albany.

Albany is building a \$100,000 high school building. It will have a gymnasium and a large auditorium. It is to be completed before January 2, 1925.

### Plattsburg.

Plattsburg is completing a gymnasium and an auditorium as an addition to the present high school building.

### Trenton.

Trenton High School has a new \$200,000 school building. It is adequately equipped and is one of the best high school buildings in Northwest Missouri.

### Burlington Junction.

At 10 o'clock the first Wednesday of each month the high school has a public assembly, consisting of an address from some educator and also musical numbers from the student body. September 3 Dr. Fred Keller of Maryville State Teachers College gave an address on the "Value of an Education." A mixed quartette number was given by Katherine Fleming, Albert Jones, Kenneth Jones and Pascal Monk. The program closed with school songs and yells.

The instructors are: Superintendent Henry B. Rutledge; Principal, Mrs. Harry B. Rutledge; Misses Julia Lowry and Lyllia Farnsworth.

### Fairfax.

The Fairfax High School gridiron mentor, Lloyd M. Waller, has a prospective squad out daily for football practice. Mr. Waller is a former S. T. C. grid man.

Fairfax won their first victory of the season, Friday, September 19, when they humbled the Mound City High School eleven by a large score 36 to 6.

The superintendent is J. A. Findley, B. S. 1924.

### Ridgeway.

The teacher training department of the Ridgeway High School is conducting a directed training room. This work is carried on in a rural school building which has been moved to the school campus. The members of the class teach the second grade work under the supervision of Miss Cassie Burke, teacher training teacher.

### Linden.

Linden Consolidated District Number 1 Clay County, has been declared in dissolution by the Supreme Court during the September session.

All the teachers have expressed a willingness to complete this year's work if the patrons of the district will pay their salaries.

### Conception Junction.

Conception Junction offers a four year high school curriculum. The senior year was added at the beginning of the present school year.

### Arkoe.

Arkoe is starting a new high school this year. The school board intend to make it a two year high school next year.

### Cameron.

Mr. G. F. Dille is the new Superintendent of the Cameron Public School. He succeeds Mr. A. C. Gwinn who is now principal at Falls City, Neb. Mr. Dille has for the last 4 years been principal of the Memphis High School. He is a graduate of Columbia University and spent the past summer taking special work at that place.

### Central St. Joseph.

Central High School, 58 years old, is the largest and oldest high school in St. Joseph.

Central has 51 teachers this year, seven of whom are new.

Superintendent Greene has been superintendent of schools at Bethany, Trenton, Webb City and Sedalia. He was State High School Inspector 1919.

Miss Varner, principal, is a graduate of Missouri University. She has an M. A. Degree from Columbia Uni-

versity. Miss Varner has been teaching at Central since 1912. She was an instructor at S. T. C. a few summers ago.

Mr. D. W. Hopkins, vice-principal, was teacher and coach at Benton last year. He is a graduate of Graceland College and received his Bachelor of Arts Degree, University of Iowa, 1920.

The Central girls are playing volleyball. A tournament will be arranged later. Basketball and baseball will follow this method. Coach Lethel Gartin is trying to interest all girls in athletics. Miss Gartin, B. S. 1924, was a star player on the S. T. C. team for several years.

### Maryville.

Frank M. Liddle, boys' work secretary of the State Committee of the Y. M. C. A. at St. Louis, addressed a group of fifteen boys Wednesday morning, September 24, interested in organizing a Hi Y. Club in the Maryville High School. The Hi Y. Club has as its purpose the promotion of Christian character among the students.

Officers elected are:  
President—Ray Eckles.  
Vice President—Marvin Epperson.  
Secretary—Orville Pugsley.

Members of the advisory committee are:  
Chairman—L. L. St. Clair, Forest Gilliam, and Dr. C. C. James.

### Ravenwood.

The Ravenwood Consolidated school has 68 students in high school.

An orchestra and a Boy's Glee Club have been organized. Rev. C. A. Anness has charge of both. A Girl's Glee Club has been formed and is directed by Mrs. Howard Beedle.

The annual school fair will be held October 16 and 17. Business men and patrons have donated prizes to be given to classes having the best display.

### Westboro.

The Westboro Consolidated Schools opened September 1. There are 79 enrolled in high school.

Fannie Blacklock and Hilda Lee Caywood, former students at S. T. C., are teaching at Westboro this year.

Miss Blacklock has charge of the physical culture class. It meets three times a week; the purpose is to develop and maintain good health.

Football practice has begun with ten letter men reporting for practice.

Wednesday at a meeting in the college auditorium the Freshmen elected Miss Willetta Todd to represent them on the Student Council. They have not elected their other officers as yet but are planning to do so in the near future.

The Freshmen meet every Thursday at 3:20 P. M., the boys with President Lamkin and the girls with Dean Barnard.

Thursday afternoon they were given a lecture by Mr. Wells, the college librarian on the use of the library. Mr. Wells explained how to find references, the system of cataloging, the use of the reader's guide, and the rules of the library. He also showed them where the encyclopedias and special references were kept and explained the special rules governing these.

The Rev. Mr. Joseph Cooper, a former pastor of the First Baptist Church of Maryville, and a recent instructor in S. T. C., has returned from his summer lecture tour with a chautauque bureau. During the summer he lectured in the southwest states, delivering his lectures approximately one hundred times. This winter Mr. Cooper will be engaged in lyceum work in the central eastern states.

Mr. Cooper met his extension class in Vitalized Agriculture at Savannah, Saturday September 20. The same afternoon he also met his class at Maryville. Tuesday, September 16, he organized his class at Princeton.

Sunday services at the various churches was well attended by girls from Residence Hall. A greater percent of the students are looking to their religious development than ever before.

Anna Dougherty, a former student, is teaching the fourth grade at Stanberry, Mo. She will continue her work in music here on Saturday.

Miss Winn's extension classes in Browning and Tennyson had their first meeting in Bolckow Saturday afternoon, September 27.

Dr. H. S. Curtis, State Director of Physical Education, inspected the physical education department here last week.

While there she met Mr. Barker, a former S. T. C. student.

Byron Murray, a former teacher in Bethany, Ill.

## CITIZENSHIP TALKS GIVEN TO EUREKANS

Prominent Business Men Address Literary Society on Various Phases of Citizenship—Sponsors For Society Are Announced.

The Citizenship program given by the Eureka Literary Society last Thursday was an entertainment of exceptional merit. The relation of education, law and order, the press, and religion to citizenship was discussed by experts in the several fields. Dr. Fred Keller of the college gave the relation of education to citizenship. Mr. M. E. Ford, prominent lawyer of Maryville gave the relation of law and order to citizenship. The relation of the press to citizenship was given by George Butts, city editor of the Democrat-Forum; and the relation of religion to citizenship was discussed by Rev. S. P. Allison.

The relation that education bears to citizenship was not considered to any great extent until the world war brought to light how Germany for the past 50 years, had been educating its population into a citizenship of the Bismarckian character. According to Dr. Keller, the view of citizenship taken by the Germans and the peoples of ancient times was that of obedience to higher authority. Now, the two principles that are prompting people to better citizenship are the elements of individualism and co-operation. The task of training for citizenship that has been the aim of the American school is now changed to training into citizenship, for the student are made to think for themselves and work with others the duty of a citizen.

As a good citizen a man serves in a dual capacity. He makes the laws and then abides by them. Mr. Ford stressed the fact that every one should vote because that is the way the people have of making the laws of the land in which they live. Absolute personal liberty is impossible in this complex civilization. We must have rules and regulations to govern the group and the one who does not obey these laws is not a good citizen. A good citizen has the right attitude towards law and order but he sees to it that no law is enacted that he expects people not to obey.

The four most powerful agencies in the country are the church, the home, the school, and the press. Mr. Butts, in representing the press, gave four distinct ways that the press made for better citizenship. The American news paper promotes a common understanding; it fosters those common ideals such as service, democracy, and charity; it develops a common patriotism of the home, of the state, and of the nation; and it makes for a better understanding between nations, bringing them all together, regardless of caste and creed, upon the common meeting ground, the printed page of the American news paper.

Religion, said Mr. Allison, is the great fountain head of the school, the law, and the press. It gives the interpretation of life. Other factors may develop capacities but religion alone can transmute, or change, the status of people. Religion is that power that changes people from the "have to serve" and "ought to serve" classes into that one hundred per cent class of citizens who "want to serve." Religion puts a self-starter into people. It puts power where there was no power before. Religion is fundamental to life.

Mr. Miller, Miss McClanahan, and Miss Bowman are the sponsors of the Eureka society for the year 1924-25. Lucille Lamar, president of the society announced Thursday.

Miss Helwig was in Spicard Friday where she is giving an extension course in Methods in Grade Mathematics. Saturday she was in Trenton where she is giving the courses in Astronomy and Methods in Grade Mathematics. She reports an attendance of approximately fifteen in each class.

Theodore Robinson of Maryville and Miss Sara Faye Snyder of St. Joseph were married September 16, at St. Joseph. Mr. Robinson is a former S. T. C. student.

Mr. and Mrs. Harold O'Banion of Polo, Missouri announce the birth of a son September 18. Mr. and Mrs. O'Banion are former S. T. C. students.

Miss Hazel Criswell, a former student of S. T. C. is teaching in the grade department of the Pattonburg, Missouri schools.

Mr. Peter of the College faculty is conducting an extension course in American Government and History at Pattonburg, Missouri.

## S. T. C. Alumnus Lost.

Great consternation is felt in the alumni association over the disappearance of one of its members. Some years ago a graduating class had among its members a most promising young person. He took an active part in all college affairs and was one of the most enthusiastic young graduates the alumni had welcomed into their association. He went out to a small high school to begin his work as a teacher and from that day to this he has not been heard of nor from. What has become of him?

The alumni association would like to tell more about him, but how can it? That is all it knows.

If you know anything about him please fill in the blank in this issue and mail it to Miss Nell Hudson, President Alumni Association.

Incidentally, the association wants to know about YOU, perhaps you are lost and don't know it.

The association is eager to be of service. It wants to aid all graduates to keep in touch with each other and with the college. It can not do this without your co-operation. It hopes to see every graduate an active member of the association with dues paid (the dues are one dollar a year, payable to Nell Hudson); but it wants the information whether you pay your dues or not.

Send in your history. The college wants to know what you have done since graduation. Have you changed your profession (or your name) have you written a book, in short, what have you done?

Alumni, here is news of some of your number, won't you help us keep this column filled?

## ALUMNI COUPON

Miss Nell Hudson, President Alumni Association  
State Teachers College, Maryville, Missouri

## MANY GOOD MOVIES BOOKED BY COLLEGE

Big Crowd Attend "Dorothy Vernon of Haddon Hall"—"America" and "Disraeli" Are Next Big Pictures.

During the fall quarter all college students will have the privilege of seeing four of the latest and best productions in the moving picture world. The admission fee will be only 10 cents for all college students and 25 cents for townspeople.

On last Saturday night Mary Pickford in "Dorothy Vernon of Haddon Hall" was shown. It was a picture of the Elizabethan Period and was filled with bits of thoroughly delicious comedy. An interesting feature of the evening was the prelude in which Miss Marie Cloud sang the "Flower Song" from "Faust" in costume. Six girls in Elizabethan costumes, acted as ushers during the evening.

"America," the biggest Griffith production yet made is to be shown on Saturday, October 11, at both a morning matinee and in the evening. Mr. Griffith is the producer of "The Birth of a Nation" and "Way Down East." Another showing of the movie may be given on the following Monday.

"One Exciting Night," another Griffith production, and a take off on "The Bat" will be shown Saturday night, October 25.

On Saturday night November 8, George Arliss in "Disraeli" will be shown.

"The Chronicles of America," produced by Yale University and which were shown every month last year at the College will be run at assembly hours every two weeks during the quarter.

## Record Crowd Attend State Press Meeting

Northwest Missouri Delegates Hold Meeting to Discuss District Conference at St. Joseph.

Two hundred eighty Missouri editors, a record-breaking attendance, were present at the State Press Association held in Kansas City, September 18-20.

Mr. Eugene E. Roach of the Carthage Democrat was elected president of the Association for the coming year. Mr. Roach succeeds Mr. Asa Butler of the Albany Capital. Mrs. Carrie Rogers Clark of the Trenton Republican Tribune was chosen as treasurer and the ex-president, Mr. Butler was appointed as one of the Board of Directors.

All officers of the Northwest Missouri Association of which Miss Winn is secretary, held a meeting to discuss plans for a district meeting to be held in St. Joseph in January. Miss Winn has served as secretary for this division for the past four years.

Saturday morning Miss Winn was appointed to act as temporary secretary for the meeting, the permanent secretary being absent.

One of the interesting features of the meeting was the presentation of a silver loving cup to the person who had secured the largest number of new members during the year. This trophy was won by Mr. W. L. Boush of the Des Moines Sun. Of the ninety new members, thirty came at Mr. Boush's solicitations. The meeting adjourned Saturday afternoon.

## Citizenship Course Hears Rev. J. A. Cooper

On Thursday, September 18, Rev. J. A. Cooper, a former instructor in the Religious Education and English departments of the college, spoke to the 10 o'clock citizenship class on "The Essentials of Good Citizenship." The three essentials emphasized by Mr. Cooper were intellectual appreciation of the truth, a sense of responsibility and character and integrity. Mr. Cooper declared that "upon the average intelligence rests the safety and security of our country." He also stated that one of the most difficult things in a democracy is the second essential of good citizenship, a proper sense of responsibility. No other factor in the make up of a good citizen exceeds that of character and integrity.

A history class of Mr. Cook's, several townspeople, and other college students visited the citizenship class taught by Mr. Foster, to hear Mr. Cooper's talk. Mr. Cooper has been lecturing from the Chautauque platform for several summers.

The first paid up subscriber to the Courier for this year is Miss Blanche Dow, who left Tuesday, September 15, for New York where she will attend Columbia University. She was met in St. Louis by Miss Minnie James of the Commercial department who is also to attend Columbia University.

Olga Lee Rodman spent the week end with her mother, Mrs. Minnie Rodman of Guilman.

## Y. W. Stages "Big Sister" Meeting

All College Girls Were Invited To This Meeting—Beautiful Service Held in Auditorium Last Tuesday.

The Y. W. C. A. began its activities for the year with a "Big Sister" meeting, Tuesday evening, September 9, at the library. All girls in the college were invited. Community singing was led by Mabel Raines after which each girl who has attended college before was assigned from two to five freshmen girls whom they are to assist in any way during the college year. Games were played and lolly-pops served to all present.

The first formal program of the Y. W. C. A. was held in room 218, Tuesday morning, September 16, at 9:00 o'clock.

The following program was rendered: Y. W. C. A. Song—Audience. Scripture Reading—Loretta Jones. Prayer.

Talk—"The Y. W. C. A. Dollar"—Mabel Raines.

Talk—"What the Y. W. C. A. Can Mean to the College Girl"—Ruby Goodwin.

Talk—"Convention at Estes Park"—Irene Lowry and Dorothy England. Community Singing led by Mabel Raines.

One of the most beautiful Y. W. C. A. Services of the year was given last Tuesday morning in the auditorium at 9:00 when initiation services for about forty new members were held. The room was darkened, and the light from the tapers borne by each girl as she marched to the platform to take the Y. W. C. A. oath, shed a soft light over the room.

Proceeding the initiation ceremony, Alice Allen led in singing, scripture reading, and prayer.

The ceremony was presided over by Dorothy England, president. The service was closed by all singing—"Follow the Glean."

The Y. W. C. A. cordially invites all girls of the college, whether members or not, to attend the meetings, each Tuesday morning at 9:00 o'clock.

## COURIER STARTS NEW OPEN FORUM COLUMN

Is Open To Students And Faculty To "Get Across" Any Ideas—Editorial Staff Is Barred—Send Yours In.

The College paper is a medium by which the students express their ideas concerning college activities. It should be used by the S. T. C. student body in promoting enthusiasm and pep in all activities. Former students and graduates look forward to receiving the "Courier" because it contains collegiate news of their Alma Mater and recollections of their former college days.

A new column, "The Open Forum," will appear in the "Courier," provided articles are contributed for publication by the faculty and students each week. Every student in the college has the privilege of expression in this new column. Faculty members and students may write on any subject that would interest the "Courier" readers. Every organization in the college use this column in arousing interest which would make for better organizations.

The staff will not write articles for this column, it being an organ to be used by the faculty and students. Therefore, if the college wishes to have such a column, news stories of interest must be submitted to the staff.

The associate editor will have charge of this column, and it will run each week if the college community desires it. All who are interested in having the open forum should show their interest by giving contributions for the next issue to the associate editor or to the instructor in Journalism.

Sam Evans was re-elected president of the Y. M. C. A. at the meeting last Tuesday. The other officers elected were Steven Williams, vice-president; George Newman, Secretary; Leland Medsker, Treasurer; Ganum Findley, Sergeant-at-arms; Floyd Harvey, pianist; Arthur Elmore, chorister; and Duane Whitford, advertising manager and reporter.

The meetings of the Y. M. C. A. have been well attended so far this year. There were thirty-four present Tuesday. Every man in the college is invited to attend the meetings of the association which are held every Tuesday morning at 9 o'clock.

Merle Ford, a home economics Senior, was a judge of the food and clothing display at the Harrison county fair, which was held in August.

Miss Edith and Louise Weller, former students of S. T. C., are attending Hardin College, Mazon, Mo. this year.

## NEWMAN CLUB MOVES INTO ITS NEW HOME

Eighteen Girls Now Staying At Club's Modern Home On West Third—Tom Merrigan Is President For This Year.

The Newman Club opened a new home for its members at West Third street at the beginning of the school year. Miss Margaret Franken and Miss Kathryn Franken, faculty sponsors of the Club, are house supervisors. The house is quite large and suitable for such a home. The large living room, with its adjoining music room and open dining room, affords an excellent place for club meetings, socials, and parties. A charming little breakfast room off the dining room makes a distinctive retreat for the house directors to use for lunch room, study, or conference room. This room, with the kitchen and adjoining bedroom, gives the sponsors a very attractive apartment.

Eighteen girls can be placed comfortably in the simple, attractively furnished rooms on second and third floors. The old fashioned room is quite unique in such a modern setting, and the large room on this third floor, with its ivory-tinted walls and ivory furniture makes an ideal place for chafing-dish parties and slumber parties.

The house was purchased by the Newman club to give Catholic students a home in Maryville, to make them feel that they have a place here.

The Newman Club has held two meetings. At the first meeting, September 16, the following officers were elected:

Frances Parle, President; Tom Merrigan, Vice-President; Maye Sturm, secretary; Florence Busby, treasurer; Alice Lawler, Courier reporter; Joseph Graves, sergeant at arms; Dorothy Rowley, historian; and Maye Sturm, Student Council Representative.

Miss Margaret Franken gave a talk, encouraging the students to higher scholarship.

The second meeting was held September 25. The Constitution was read and ratified and plans for a federation were discussed. The club voted to hold a market in the near future. The following committees were appointed by the president; Executive committee; Francis Parle, chairman; Miss Kathryn Franken, Maye Sturm, Florence Busby, and Grace White.

Social and Program Committee; Dorothy Rowley, chairman; Mayme Grooms, Lucille Sturm, Joe Graves, Nora Kelley.

Membership Committee; Nora Ryan, chairman; Verle Pierce, Nellie Farnan, Tom Merrigan and Alice Hall.

Publicity Committee; Alice Lawler, chairman; Veronica Berg, Reta Kinsella.

The purpose of the club is to develop students religiously, socially, and intellectually. One meeting during the month will be devoted to business; the other three will consist of general programs rendered by students in the club, faculty members, townspeople, and other worthwhile speakers.

## College Cafeteria Serves 300 Per Day

The College Cafeteria, under new management, is now serving about 300 meals a day. Lunch is served at the cafeteria from 12 to 1. Dinner is served at 6:15 during the week and at 1 o'clock on Sunday. Town people and students not staying in Residence Hall must make reservations for dinner by 2 o'clock during the week or by noon Saturday, for Sunday dinner. A twenty five cent fee is served Sunday evening.

Miss Winn organized an extension class in Tennyson and one in The Technique of the Drama, at Ravenwood, Saturday, September 13. Fifteen students, from the surrounding country were present at the first meeting, and several have signified since then their intention of enrolling. The class meets in the high school building at 9:00 o'clock.

Dr. Keller's brother, Ralph Keller, has been visiting at the home of Dr. Keller the past week. Mr. Keller received his B. S. degree in Agriculture from the State University in January of this year. Since then he has taken some special work at the University of Indiana. While at Missouri he made a letter in football three successive years. He is at present representing the Ralston Purina Mills in North and South Dakota and Minnesota.

Miss Ella Lee Moulton, who was an instructor in S. T. C. last summer, is Dean of Women at the State Normal School, Aberdeen, South Dakota.

Charlene McHugh was a guest, on Louise Cooper, Sunday, September 21, at Residence Hall.

## Social Science Club Holds First Meeting

Ermit Coler Is Elected President—Miss Winn Speaks to Club on English Courts and Elections.

The social science club was re-organized at the college last week. At the first meeting, Ermit Coler, whose home is at Skidmore, was elected President; Merle Seelman was made vice-president; Zelma Goslee, secretary; Ganum Finley, treasurer. The club is open to all faculty members and students who are interested in the social sciences.

Last year, the social science club was one of the largest and liveliest organizations on the campus. There is a large membership this year. Meetings are held every two weeks. Visitors are always welcome. The purpose of the organization is to develop students socially, as well as to give members a chance to study and discuss the leading social and economic problems of the day.

The club met last Thursday night at the home of Mr. C. E. Wells, college librarian. After a short business meeting, Miss Winn of the English department addressed the club. Miss Winn has recently returned from a year's study in London and a tour on the continent. She spoke on "English Law Courts, Parliament, and Elections."

"A candidate for office in England," said the speaker, "must be even tempered, and an untiring speaker. Every voter is interviewed before election day. If a voter does not get an interview before election day, he considers it an insult and will probably not vote at all."

In answer to the question regarding what she considered the most beautiful building in London, Miss Winn stated that she considered the Parliament building the most beautiful in all Europe. Parliament on the whole greatly resembles our own congress. Aside from the difference in accent on the part of the speakers, the meetings are very similar to those of our senate and house.

Miss Winn was greatly impressed with the great respect and regard the English people have for the law. To become a judge in England is one of the greatest honors which can come to a man. Trials are speedy but just. Murder trials have often been completed and the execution has taken place, if the defendant is guilty, within a few weeks from the date the murder was committed.

Officers of the law are very courteous and take great pains in giving directions, often going three blocks with a person to see that no mistake is made. Traffic regulations are rigidly observed.

"England can teach us much with regard to respect for law," said Miss Winn. "Yet there are many things we can teach England."

Mrs. Wells favored the club with a greatly appreciated solo.

After the discussion hour, appropriate refreshments were served by Mrs. Wells.

## Girls of Residence Hall Name Officers

The Residence Hall students have organized and elected the following officers:

President—Louise Freeman. Vice-President—Louise Cooper. Secretary—Hope Manchester. Treasurer—Tressa House. Senior Representative—Lorraine Hathaway.

Junior Representative—Mildred Kiser.

Sophomore Representative—Lucille LaMar.

Freshman Representative—Willette Todd.

A greater atmosphere of co-operation was manifested in the house meeting than has ever been shown before. Unity was the keynote.

The "date rule" is working like charm according to Mrs. Hastings. Many parents have expressed their approval of these rules. The general health of all students has been benefited and higher scholarship is evident from reports received from the office.

One hundred four girls now live in Residence Hall.

Mrs. Louise P. Hastings reports a most enjoyable vacation spent with her relatives enjoying thru the Catskill Mountains at Martha's Vineyard, thru the Green Mountains, up the Mohawk Trail to the Adirondacks and back along the St. Lawrence.

Iva Mae Browning, a former student of this college, was married Sunday, September 21, to Fred Lewis. Both are of Hopkins. They left Sunday afternoon for a short trip to Omaha, Nebraska.

Mr. Verne Foster of Sac City, Iowa, visited Hazel Hatt over the week and September 20-22.

Mary Fields, a former student, is teaching sixth grade at Stanberry, Mo.

## KINNAIRD JOINS AG. STAFF-BUYS CATTLE

Former County Agent To Be in Charge Of Animal Husbandry Department—Seven Purebred Jersey Cows Now on College Farm.

This fall the Agricultural Department has been divided into two sections, with Mr. Stanfield in charge of the crop study and Mr. Kinnaird in charge of the Animal Husbandry division.

The department expects to have up on its farms four buildings. At present it has a hog house with six farrow pens, which are equipped with Lowden steel equipment. The dairy barn is now under construction. It is to be a model dairy barn, 40 feet by 80 feet, with 15 stanchions, and two box stalls. These stalls and stanchions are to be made from James steel. Fences are being built to inclose a part of the college land so the cows may be pastured on the college ground. The silo is now under construction. It is to be 12 feet by 30 feet, and will be filled this fall. It is thought that a poultry house will be constructed during the winter; it will be in use by the summer quarter of next year.

The college is developing a herd of live stock on its own farms, to be used in connection with class work. This department has purchased six registered Jersey cows, and a six months old calf. With these as a nucleus, the college intends to develop one of the best dairy herds in Northwest Missouri. These cows at present are producing nearly 15 gallons of milk per day, which is enough to supply the cafeteria demand.

The hogs that are to be purchased will be fed from the waste of the cafeteria.

## "TAKE THE COLLEGE TO THE STUDENTS"

—Is Extension Slogan

Department Under Bert Cooper Has Enjoyed Substantial Growth During Past Year—936 Enrolled in This Department Last Year.

"If you can't come to the College, the College will come to you." We wonder if any organization has better lived up to its motto than has the Extension Department of the Maryville State Teachers College. And because of its theory of service and the zealous efforts of its head, Mr. Bert Cooper, the story of the Extension Department is a story of growth.

The Extension Department, which includes correspondence as well as visitation work, was organized in 1916 by a committee of the faculty with Mr. Foster at its head. The first year, 32 people were served. During 1917-18, its services were discontinued because of the war, but in 1919, people took advantage of its opportunities; in 1920-21 this number was increased to 202. At this time it was found necessary to secure a special person to oversee this department, and Mr. Bert Cooper was chosen for that position.

In 1921-22, during the first year of Mr. Cooper's administration, 36 extension classes of 380 individuals and correspondence students were served. In 1922-23 there were 89 classes of 544 people and correspondence students. In 1923-24, the number of classes increased to 54 with 716 individuals, and the correspondence students numbered 220.

During the present year 20 classes have already been organized and students have signed up for correspondence work. However, this is only the beginning and Mr. Cooper predicts the number of individuals served by the department this year will exceed that of former years.

The fee for correspondence work is \$2.00 per hour of credit, or \$7.50 for a two and one-half hour course. For the extension classes the fee is \$12.50 per person, for or class, or \$20.00 for two classes; if both are taught by the same instructor during the same trip. For the books which the College supplies, a \$5.00 deposit is made. This deposit, less postage for sending the books and \$1.00 rental fee for each course is later refunded to the student.

Owing to the growth of the department, one-half of the work on a degree may now be done by extension formerly only one-fifth of the credits could be obtained in this way. For teachers in service and for people otherwise unable to come to College, extension service has truly been a boon. Not only is the person taking the course benefited, but those who come under his influence receive indirect advantages, and for teachers, this is the great essential.

Mr. Clapp has returned from his leave at Abbeville, having spent the last year at the University of

## Students Form "Speakers Club"

Leslie Holcomb Is Elected President—Mr. Miller Is Sponsor—LaFollette Discussion Next Meeting.

A "Speakers Club" was organized Friday afternoon September 18, by Mr. Miller and a group of sixteen students.

The first regular meeting was held Wednesday September 24 in the Public Speaking room. At this meeting permanent officers were elected; Leslie C. Holcomb being elected President and Ruby Goodwin, Vice-President.

After the election of officers several lively extemporaneous speeches were made on subjects chosen by Mr. Miller. The subject "Is the Term 'White Supremacy' American?" seemed to develop the most interest and was handled nicely by several members of the club.

The next meeting of this club will be held in the Public Speaking room Friday afternoon October 3, at 2:20. The subject for discussion will be "Is there a Need for a LaFollette Party?"

College students of Missouri are interested in every phase of Public Speaking. This is shown by the interest manifested in the announcement of the Inter-Collegiate League of State Teachers Colleges' contest to be held in Springfield, March 20, and of the Inter-State League Contest to be held in Cape Girardeau the last Friday in April.

The Inter Collegiate League is affiliated with the Inter State League which is composed of six states, Wisconsin, Illinois, Nebraska, Kansas, Iowa and Missouri.

We know that Maryville will be represented by an orator and an extemporaneous speaker at Springfield. If we win there, we can go into the contest at Cape Girardeau.

This growing interest in Public Speaking has developed a new need which must be met. In view of this, the State Teachers' Colleges of Missouri are organizing an Inter-Collegiate Debating League.

Schedules are now being made by faculty members, of the various colleges, who are interested in the line of work.

Maryville is expected to have a "Bearcat" debating team as well as a Bearcat football team.

## Demonstration School Opens With Miss Keith

Five S. T. C. Students Are Doing Practice Teaching in Fundamental Subjects for Rural Students.

The Demonstration Rural School at the College opened Monday, September 8, with 13 pupils enrolled.

Using the alternation plan, the first, second, third, sixth, and eighth grades are taught. The work is supervised by Miss Mary Keith who has a B. S. Degree from the University of Missouri and Mr. Homer T. Phillips, head of the Rural Department of Education at the College. Five practice teachers, all except one, teaching for the first time are conducting the classes at designated periods. Miss Hettie Mae Woodard assists by teaching music three times per week. Music is alternated with art, and penmanship taught by Miss Keith.

The purpose of this school is to train rural teachers, and these practice teachers are students of the College who wish to become acquainted with rural school classroom problems, and receive actual classroom experience under competent supervision. One hour each day is spent by the teacher in the classroom and credit of two and a half college hours is given for this work.

The students who are doing practice teaching are:—Thelma Brown—Primary Reading. Eva Hindman—Arithmetic and Physical Education. Violet Anderson—History and Reading.

Catherine Harrison—Geography. Esther Monk—English.

In addition to this school in the college building, the Garrett school three miles south of town is being used as a demonstration school. Miss Black, B. S. Syracuse and M. A. Teachers College Columbia University, has charge.

Before students can do practice teaching in any of these schools, they must have taken the theory courses. It is intended that all departments in the college shall be brought in touch with these schools.

Mr. Foster is offering a double extension course at Plattburg consisting of a course in English History and English Government. There are fifteen or twenty students enrolled.

Julia Dally of St. Joseph and student of the college last year, is teaching at Greenard School, 3 miles southeast of St. Joseph.

Mr. Clapp has returned from his leave at Abbeville, having spent the last year at the University of

## ATHLETIC LETTER IS HIGH STUDENT HONOR

Is Awarded Here By Athletic Council State Superintendent Lee Gives Letter On Basis Of Physical Efficiency.

Probably the one honor which is most appreciated by the student body of our colleges and universities is the Athletic letter. This stands for the College but, thus far, it has been granted not by the College, but by the Athletic Council. A man might secure one on the basis of sheer physical strength.

There is a good deal of discussion among the leaders in physical education as to whether the extreme type of competitive sport which the Athletic letter distinguishes is an advantage to the student and whether one who has gained it is better or worse off in consequence.

The State of Missouri has made a departure from athletic precedent in this matter and is now conferring a letter, through the State department of Education under Superintendent Lee, upon its teachers and prospective teachers on quite a different basis. There are two of these letters. One is for the School of Education at the University and the five State Teachers Colleges. This is a letter "M" of red chenille with a border of black, supported on each side by a bear from the state seal. The other letter is for the Teacher Training High Schools. It is a somewhat larger "M" of blue chenille with a border of red and white.

These letters are each conferred on a basis of eight hundred points, of which one hundred points must be in health and absence of physical defects; one hundred in scholarship; one hundred in sportsmanship. Of the remaining five hundred points two hundred points may be in some form of service such as becoming a scout master or a camp fire guardian. Three hundred points may be in any form of Athletics.

In order to qualify in sportsmanship the candidate must present the following statement from his instructors:

**SPORTSMANSHIP.**  
I believe \_\_\_\_\_ a good sportsman, that he behaves as such in competition and in life at school; that he plays fair, accepts adverse decisions without remarks, does not lose heart in defeat nor boast in victory.  
Signed \_\_\_\_\_

Physical Director \_\_\_\_\_  
Dean of College \_\_\_\_\_

President of College \_\_\_\_\_

Along with the letter there is granted to each successful candidate the following certificate of Physical Efficiency.

**CERTIFICATE OF PHYSICAL EFFICIENCY.**

This is to certify that \_\_\_\_\_ won the State Letter in Physical Education with the following points:

100 in Health.  
100 in Sportsmanship.  
100 in Scholarship.  
100 in \_\_\_\_\_  
100 in \_\_\_\_\_  
100 in \_\_\_\_\_  
100 in \_\_\_\_\_

Already four girls of the College have received this letter. The first S. T. C. students to obtain this honor are: Martha Kennedy, Lorenz, ner, Roberta Cook, Pauline H.

## Miss Painter Organizes Extension Course

Miss Anna Painter, of the English Department of the State Teachers College of Maryville, was in Burlington Junction Saturday morning at eight o'clock to organize a double extension course in English.

The courses offered will be Tennyson and the Romantic Movement. These courses are for teachers who are interested in higher education and who want to do some college work while teaching.

Misses Mildred Miller and Beulah Brunner, formerly of the educational department here in the college, visited with friends here for a few days during August. Miss Miller is primary supervisor at Cleveland, Ohio. Miss Brunner is head Training Critic of the Junior High School of Winona, Minn., State Teachers College.

Mr. and Mrs. Foster entertained for Miss Dow, Sunday evening, September 20. The guests were Misses Mary and Delaune, President and Mrs. Kinsella and son Billy, and the house guest.

Miss Amy Donahue, a Northern girl, came from Ames, Iowa, to be a part of the "Golden" course, and to be a part of the "Golden" course.

## 41 BEARCATS READY TO GO

(Continued from Page One)

Buildups are out for revenge as last year was the first time they had suffered defeat at the hands of the Bearcats.

Warrensburg will come here for the next game November 7. This will be the last Conference game for the Bearcats and will be a great treat to all local sport followers. The Mules defeated the Bearcats last season and say they will come for nothing else this year.

November 14 Graceland College will come here to play the Bearcats.

Graceland who has met the Bearcats before is not at all an easy mark so there are no grapes to be had.

The football season for the Bearcats is concluded with the annual Tarkio-Maryville tilt which is held on the Maryville gridiron November 21. The final whistle is the only one that tells the outcome in this game as Tarkio is a jinx.

The schedule for the season is:

Tabor, there, October 3; Cape Girardeau, here, October 10; Springfield there, October 17; Highland here, October 24; Kirksville there, October 31; Warrensburg here November 7; Graceland here November 14; Tarkio here November 21.

The history of the entire lineup is as follows:

Lon Wilson, (Capt.) Half; 2 years; Trenton.  
Arthur Hartman, tackle; 1 year; Barnard.  
Sam England, tackle; 2 years; Maryville.

Web Young, end; 3 years; Trenton.

Oren Masters, half; 1 year; Maryville.

Hugh Graham, guard; 3 years; Trenton.

George Barclay, tackle; 2 years; Trenton.

David Eads, end; 1 year; Trenton.  
John Ashcroft, end; 2 years; Trenton.

Two old letter men who were not in school last year.

W. McMurtry, end; 1 year; Maryville.

Clyde Sawyers, tackle; 2 years; Maryville.

Men who were on the squad last year and scrimmaged with the Varsity.

Burley Lucas, 153; Gower.

## NEWS OF THE DEPARTMENTS.

Mathematics.

There are one hundred eleven students enrolled in the mathematics department in classes of college algebra, astronomy, business arithmetic, calculus, and trigonometry. These figures do not include the high school mathematics students, the three extension classes by Miss Helwig, or the correspondence courses offered by Mr. Cooper.

Some new stellar slides have been purchased for the astronomy class.

Two new courses in Business Arithmetic, have been added. These courses are open to any college student. They offer five hours credit; two and a half hours in the course devoted to the discussion of business mathematics involved in investments.

Modern Language.

Students are coming to see the importance of foreign languages. This is brought out by the fact that over sixty have signed up for beginning French, and a like number are taking beginning Spanish.

The world resembles a community, with the nations drawn closer together by modern science, therefore it is absolutely necessary that college men and women know more about their neighbors by learning their language.

Commerce.

Great interest in commerce is being shown this fall. There are 191 students enrolled in the department. The class of 72 pupils in penmanship has been divided and Mrs. Barton, a member of the senior class, has charge of one division. Because of lack of space in the commerce department, her class is being held in the physics laboratory. Twenty-six are enrolled in book-keeping; 12 are taking business law; and 10 are studying salesmanship. Thirty-six students are taking beginning typewriting with 13 in the second year class. There are 17 in beginning shorthand and 5 advanced students.

A contest between Mrs. Barton's and Mr. Roger's penmanship classes is causing no little excitement and interest in improving the work of the two groups.

The best specimens of work from each group are on exhibition on the second floor.

A complete set of Gregg Reference Books have been added to the library equipment of the department.

Manual Arts.

The class in Architectural drawing is getting started and will take up the study of home building. This is a very practical course now given by Mr. Glenn.

The machines in the shop are being repaired; therefore no classes are scheduled in shop work this quarter.

The high school section in manual arts has worked out some good projects; some students have worked one project and others two.

Industrial Arts.

The Industrial Arts department is offering a new course in weaving. A new four-harness loom has been purchased. This miniature loom is an exact reproduction of the larger looms. By the use of it, students are enabled to weave woolen scarfs, table runners, and rugs. This week the students are learning to operate it, and are finding it a very fascinating experience.

Musio.

The Conservatory of Music has the usual enrollment but has more good talent than ever before.

Several students are doing practice teaching under the supervision of Mr. Gardner in the first seven grades of the Maryville Public School.

The chorus consists of 225 voices. They are working on selections from Handel's "Messiah." The culmination of the year's work will be the singing of the Hallelujah chorus. The chorus will work on features of other oratorios. It is exceptionally well balanced chorus. There is a fine alto section and a large number of boys are enrolled.

Thirty students came out for orchestra practice Monday. This promises to be a musical year for S. T. C. According to Mr. Larson the orchestra is much better now than it was last year after two weeks of practice. The S. T. C. orchestra will make its first appearance during Teachers Meeting here October 9-11.

About 45 pupils are enrolled with Mr. Larson for private lessons in string, wood wind, and brass instruments. He is giving 40 lessons a week and his schedule is filled to the limit. About one-third of his pupils are high school students and some 8 or 10 are from out of town.

Geography.

The Geography Department held its first meeting of the fall quarter September 11. The following program was given:

Address—Mrs. F. A. Thompson, State Rural School Supervisor.

## The Stroller

By ????

The Stroller wishes to greet one and all of his old friends and to say "How-do-you-do" to all his new ones. He's mighty glad to be back in school again this year and still more glad to have his column in the Courier where he can post his campus observations.

In the first place, the stroller has noticed some very queer actions among some of the faculty members. The other day the Stroller actually saw Miss Smith deliberately pour vinegar on her rice and he has been wondering ever since what, or who it is that has caused the absent-mindedness.

One evening as the Stroller was out car riding he chanced upon a couple in a Ford sedan, parked by the roadside. It was rather dark but by the dim distinguishable outlines he felt sure that it could be none other than Mr. and Mrs. Loomis. On the following day he learned that the Ford sedan had run out of gasoline and that the couple seated therein was waiting and hoping that a "gasoline wagon" might come along. The Stroller has been wondering if this doesn't help to solve the problem of parked cars. Perhaps they're all waiting for "gasoline wagons."

A week ago Saturday the Stroller found an article in the Democrat-Forum which caught his eye and which he is very proud to publish. Here it is:

### TWENTY YEARS AGO.
